

fsdir_run_X (bids)

```
graph TD; A(fsdir_run_X (bids)) --> B(single_subject_fmriprep_test_wf);
```

A flowchart consisting of two ovals. The top oval contains the text 'fsdir_run_X (bids)'. A vertical arrow points downwards from the bottom center of this oval to the top center of a larger oval below it. The bottom oval contains the text 'single_subject_fmriprep_test_wf'.

single_subject_fmriprep_test_wf
